ALCOHOLIC BEVERAGE  
REGULATION ADMINISTRATION

## MERCHANTS TRAINING (CLASS A AND B) FOR COMPLIANCE CHECKS

It is strongly recommended that you attend the Alcoholic Beverage Regulation Administration's (ABRA) third series of specialized merchant trainings, which will prepare you for compliance checks by underage buyers attempting to purchase alcoholic beverages in your establishment.

These trainings are specifically geared to help merchants card individuals, spot fake IDs, and inform all of our licensees that compliance checks are being conducted in your community.

If you have received the training previously, send other employees. As a business owner, if you choose not to attend any of the training series, please know that **"I DIDN'T KNOW"** is not an acceptable response if you are not in compliance with the laws of the District of Columbia.
